

## Join the Infrastructure Development Community in the Built Environment

**ISIZA** – Construction for Development, a quarterly publication, focuses on a variety of aspects within the construction and infrastructure development industries.

*Editorial topics include:*

- Personalities and companies contributing positively toward industry growth
- Project case studies, opportunities, opinion pieces and industry trends
- Legal issues, Health & Safety, Contractor Development
- Industry news, products, services, and event calendars
- Skills & entrepreneurial development and training

Through its **cidb** endorsement, **ISIZA** guarantees distribution of 10 000 copies to a pre-qualified readership consisting of:

- Developers, contractors, architects, engineers, project managers, industry professionals, property owners
- Municipalities, related govt' depts (housing, publicworks, transport, water, infrastructure, development)
- Suppliers, service providers and many others engaged in the industry.
